## EXPERIENCE

### 2020-2023 Frontend Developer | Unilimes

May 2020 - March 2023 (3 years) Odessa, UKR

- Adaptive cross-browser layout of websites and landing pages
- Creation of sites on React, NextJS, ThreeJS
- Implement new app components according to the design;
- Modify and update existing components' visuals in accordance with the design;
- Most of the projects required the use of 3D models and graphics, for these purposes I used the ThreeJS library
- Fix bugs and improve existing code, application performance, and usability;
- Teamwork was done using GitLab
- Uploading applications to Amazon server (AWS) using pm
